

Vijeeth Sankar

Software developer

● Personal Profile

I'm **Software developer** (2020-2021). I doesn't work team project. But I done some **personal project** (like: **Spotify** clone, **Netflix** clone, **OLA** clone, Image to text convert). I done this project using **Flutter** and **Vscode**.

● Educational Training

BCA at Trichy (2019-2021)
Corona Batch

● Editor (2019-2020)

- Local Tv channel
- YouTube channel

● Designer

Frist I started my Code training with help of **Flutter**. Because I Try to learn some new languages. Then I try to build a website with help of **HTML, CSS, JS**.
